

Case Study: Indian Corporate

The Challenge:

With over 110,000 employees, ensuring the safety of its most valuable assets, its people and property, is a major focus. IPSecurityCenter integrated and aggregated intelligence from all legacy systems to allow this world leading corporation to maximise its investment.

Integrating:

- 800 cameras
- Access Control System (ACS)
- Cisco VSMS
- Agent VI analytics
- Vehicle based panic alarms
- Vehicle Tracking System (VTS) –Mapping
- 1000 doors
- Cisco IPICS crisis communication systems
- Barco Transform A Video
