

## Case Study: Greater Manchester Police

### The Challenge:

Surveillance and Intelligence gathering for highest level security event in the UK after the G8 Summit: The Labour Party Conference.

With around 15,000 delegates, including the Prime Minister, high-profile MPs, global leaders and speakers from across the world, the week saw governance effectively moving from Whitehall to Manchester. Maintaining a world class level of security was crucial to the success of the conference.

### Integrating:

- 360 Analog & Digital CCTV Cameras
- Heli-tele & Fixed Wing Cameras
- Bosch Recording and Encoder/Decoders
- Analog Monitors and Joysticks
- Barco Video Walls
- Public space Cameras
- Interior Cameras

### Benefits:

- Integrated many disparate video systems
- Distributed intelligence to point of need
- Process-driven response
- User interfaces tailored to intelligence requirements
- Effective policing of all aspects of the conference 24 hours a day, covering all of Greater Manchester
