### CNL Software Names Terry Stutzman to Senior US Project Manager Position

**GLOBAL RELEASE - March 29th, 2011 - CNL is pleased to announce the recent appointment of Terry Stutzman, PMP, to Senior Project Manager, CNL Americas. Terry is a certified Project Management Professional with 15+ years of experience. He will oversee all US integration projects for IPSecurityCenter, CNL's Physical Security Information Management (PSIM) system.**

Along with 15+ years of experience in project management, Terry brings a strong background in the security industry to the CNL team, having previously worked for MasterCard, Pelco, Integral Technologies, Huntington National Bank and Michigan National Bank. He is PMP certified and experienced in PMBOK methodology. Terry received his BS from Purdue University.

His responsibilities for CNL Software include managing and facilitating all aspects of successful client/site implementation, maintaining resource plans, issuing and managing change requests as well as scheduling and providing resources for on-site support and site visits.

Matt Kushner, President, CNL Americas says, "CNL is very happy to have Terry on board. Terry adds enormous value to the CNL operation. His experience will help us manage the rapid growth of the business and his knowledge and expertise will be valued by customers around the globe."
